

PASTA

Colavita Pasta is produced only from the wheat of the Molise fields and only in respect of country style tradition. A favorite of chefs because it cooks up firm and maintains its bite.

Il Pastaio del Paese is a range of fresh frozen pasta and it's **Surgital's** gift to discerning chefs who appreciate the authentic flavors of the best in Italian cuisine, and a tribute to the land which is the cradle and custodian of that tradition. Since 1980, **Surgital** has been Italy's leading producer of deep-frozen fresh pasta for the high end Food Service Market. The company is based in Lavezzola, a small town in the province of Ravenna, the heart of Emilia-Romagna.
