

The Accardi Holiday Collection

Holiday 2026

A NOTE FROM OUR FAMILY

From the Accardi Family

The holidays have always been about what happens around the table.

For four generations, food has been at the heart of what we do at Accardi. But it has never been only about the food. It's about the people who gather around it, the traditions we return to year after year, and the simple pleasure of sharing something good with the people who matter.

The Accardi Holiday Collection brings together some of the products and traditions we look forward to most each season — from Italian holiday bakery and specialty cheeses to entertaining favorites, thoughtful gifts and something sweet to finish the evening.

We created this collection to offer a little inspiration for the season ahead, while making it easier to discover the products that help make holiday tables memorable.

From our family to yours, we hope your season is filled with good food, good company and plenty of reasons to gather.

Warmly,
The Accardi Family

A NATURAL PAIRING

Biscotti, wafers and chocolate specialties are natural companions to coffee and espresso, creating an easy after-dinner assortment.

BEYOND THE TABLE
